

BRAGGZYME is an all natural systemic, fibrinolytic enzyme blend containing **BRAGGZYME Complex**, a combination of nattokinase and serrapeptase, as well as additional protease and lipase enzymes.*

BRAGGZYME provides nutritional support to help maintain a normal inflammatory response.* In addition, it helps maintain normal fibrin levels for a healthy cardiovascular system.*

BRAGGZYME delivers a full 2,000 Fibrinolytic Units (FU) of activity per capsule.

BRAGGZYME contains no wheat and no yeast, no animal derivatives, no artificial flavors or colors.

CAUTION: If you are currently taking anti-coagulants, like warfarin, do not take this product without consulting your physician. If you are pregnant or nursing, consult your healthcare professional before using this or any other dietary supplements.

Store in a cool, dry place with the lid tightly closed. Keep out of reach of children.

* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
